

Vineet Chopra

Vineet Chopra is a certified Life Coach and NLP Master Practitioner with more than 16 years of experience in the corporate world spread across Training, Operations & Project Management.

He is a Senior Consultant & Facilitator of TransforMe Learning and Leadership Solutions – an award-winning result-based learning firm focused on enabling personal transformation.

Vineet holds 9+ years in Training & People Management with strong expertise in Storytelling, Emotional Intelligence, Personal Excellence and Leadership Skills with a proven track record of Learning & Development, evolving effective techniques through Theatre concepts & activities, Emotional Intelligence and Neuro-Linguistic Programming techniques.

Vineet realized that that he had discovered his true passion and decided to pursue a role where he would be involved in more training delivery and gain exposure to various clients across industries - IT, ITES, Analytics, Travel & Tourism, Education & Academics, Insurance & E-commerce to mention a few.

A Theatre actor-writer-director and a storyteller by passion, Vineet leverages examples, activities and experiences from his Theatre world, which helps him drive an experiential learning during his workshops. He brings to his workshops, a high degree of relevance – stemming from his experiences as trainer, leader, coach and an artist.

Vineet has facilitated a wide variety of workshops and Lab's in the areas of Leadership Development, Personal Excellence, Presentation & Storytelling Skills and Influencing without Authority. He has successfully facilitated training workshops / interventions at Adobe, Accenture, SpiceJet, Aon, AXA, Kronos, GOMMT, Sony Pictures Network, Jubilant Foodworks and many more.

Vineet's passion towards acting, writing & creative direction got him invested in founding a Theatre company in 2016, a passion he continues to pursue outside of his corporate engagements. He has been successfully creating and running Theatre shows in Delhi/NCR and outside. The experience of observing human behaviour to create characters on stage for his plays has been a constant driving force behind his extraordinary connect with his participants, leading to workshops' success.

He has also written content for brand-promotion-films on Social Media.
