

Vivek Sundaram

Vivek Sundaram is a certified Life coach and NLP practitioner with 16 years of experience in facilitation & consulting. He is an Associate Partner of TransforME Learning & Leadership Solutions – an award-winning result-based learning firm focused on enabling personal transformation.

Vivek holds multiple training certifications and is an accredited facilitator for Transaction Analysis, First Things First (Stephen Covey), Presentation Skills, Leadership Skills, Coaching & Feedback, Leader's Window & Behavioral Interviewing.

An adventurer, explorer, philosopher and learner at heart, Vivek leverages examples and experiences in using the 'Inside-Out' processes, which helps him bring in a quick personal connect in the Lab sessions with the 'Here & Now'. He brings to his Lab a high degree of relevance – stemming from his experiences as trainer, leader, coach and an entrepreneur.

With more than 17,000 hours, Vivek has facilitated a wide variety of workshops and Lab's in the areas of Leadership, Performance Management, Behavioral Interviewing Skills, Coaching and Feedback, Personal Excellence, Negotiation Skills, Influencing without Authority to name a few. He has successfully facilitated training workshops/ interventions at Accenture, Schneider Electric, ICICI Lombard, Fiat Chrysler, ABN, Hewlett Packard, ALJ (Toyota in Saudi Arabia), Mphasis, McKinsey, Maxlife, Titan and many more.

Vivek realized that that he had discovered his true passion and decided to pursue a role where he could be involved in more training delivery and gain exposure to various clients across industries - IT, ITES, Analytics, Travel & Tourism, Education & Academics, Insurance & E-commerce to mention a few. Vivek has invested over 16 years as a Learning solutions consultant and has also led a regional office and a sizeable team of trainers.

His adventurous streak, coupled with his passion for biking got him invested in heading a motorcycle adventure touring company in 2016, a passion he continues to pursue outside of his corporate engagements. He has successfully led various tours and expeditions across the length and breadth of India. Riding motorcycles over a difficult and unexplored terrain fuels Vivek's love for nature and this coupled with his passion for nature photography combined with his outdoor survival skills, has been a constant driving force behind his workshops' success.

Vivek is also a certified Wilderness First Responder from NOLS, Wyoming, USA.
